Authorization Letter for Representing Girne American University as Affiliate Institute/Centre

Dear Mr. Jibran,

## Greetings from Girne American University!

We are pleased to inform you that Girne American University through its Regional office GAU Global - UAE (Under GAU Management Consultancy LLC. Dubai, UAE) has authorized your institute/Centre to operate as an educational affiliate Institute/center for our University in Pakistan. After thorough consideration, we are pleased to grant you authorization to establish and operate an Affiliate Institute/Center in Pakistan under the name of Jibran Bashir Leadership Institute (JBLI)

We appreciate your commitment to upholding the academic standards, values, and reputation of Girne American University. As an authorized Affiliate Institute/, you are expected to adhere to the following guidelines given and govern by GAU through its regional office GAU Global (Under GAU Management Consultancy LLC, Dubai UAE):

Curriculum and Educational Standards: Ensure that all educational programs offered at your franchise center align with the curriculum and educational standards set forth by Girne American University.

Quality Assurance: Maintain the high quality of education associated with Girne American University by implementing effective teaching methods, providing adequate resources, and upholding academic integrity. GAU Global Dubai will be responsible to maintain and audit all the franchisee for its Quality Assurance in line with the University policies.

Compliance: Adhere to all policies, guidelines, and standards set by Girne American University through GAU Global Dubai, including but not limited to admission procedures, assessment methods, and any other requirements.

Regular Reporting & Admissions: Provide regular reports to GAU Global office in Dubai and its Official Representative for Girne American University, regarding the academic performance, enrollment figures, and any other relevant information as requested. Your Affiliate Institute/Center has to produce minimum of 25 admissions per year for continuing the operations as franchisee.

Training and Orientation: Ensure that all staff members at your Affiliate Institute Center undergo any training or orientation programs deemed necessary by GAU Dubai under Girne American University said policy & Procedure.

Legal: This authorization is effective from July 30, 2024 and will remain in effect until December 30, 2029 unless revoked earlier in writing by Official Representative and Regional Director of GAU to ensure a seamless and harmonious relationship between the University Affiliate institutes and GAU in the Region.

We look forward to a positive collaboration and trust that your Affiliate Institute/center will contribute significantly to the dissemination of quality education in your community. We wish you success in your endeavors as an authorized Affiliate Institute/Centre of Girne American University.

Sincerely,

Muhammad Rasheed Khalid
